

Intro... Royal Canal Greenway

Planning a trip to along the Royal Canal Greenway? We have got you covered! Check out our suggested itinerary below..

Train from Connolly Station in Dublin to Maynooth

Hop on the train at Connolly Station in Dublin which has trains running to Maynooth frequently all day with a leap fare of just €2. You can also bring your bike with you on the train.

Start it off right

You don't want to start your journey off on an empty tummy so be sure to pop into the Victorian Tearooms or Shoda Market Café for a coffee and delicious cake before you embark along the Royal Canal Greenway

Head towards Kilcock

Begin your journey and cycle a short 6km to the quaint village of Kilcock. Visit Kilcock Art Gallery and get your next hot drink fix from Timeless Café

Linger Longer

Not ready to end your day out in Kildare? Venture off the path and visit Clonfert Pet Farm or perhaps a more scenic route of Donadea Forest Park

Hungry? Why wait?

After a full day out and about, treat yourself to some good grub afterwards. We highly recommend Carton House which is only a 10 minute cycle from the way!

Of course, this is just a small selection of great attractions and eateries to visit on your journey along the Royal Canal Greenway. Check out intokildare.ie for more itineraries and inspiration for your next trip to Co. Kildare
